

Joseph's Nursing School

St. Joseph's Nursing School, Midnapore started in the year 2020 with the twin objectives of preparing and empowering the students with quality education with scientific and modern learning and techniques with practical experience to meet all the challenges of nursing with a sense of love, compassion and dedicated service with the annual intake capacity of 30 no students. Keeping the huge demand and need qualified nursing personnel we have enhanced our intake capacity to 60 from the year 2021-22 after obtaining essentiality certificates from D.H.S (N), Swasthya Bhawan, Govt. of West Bengal, Kolkata,

the education. External faculty for the subjects like English, Computer and Statics are coming to school for taking classes as per the curricular requirements. Various in-service educational programs and E-Learning through various platforms for faculty are provided to promote their skill.

To encourage and enhance academic performance various measures were undertaken. The academic year is divided into various segments consisting of unit tests, internal theory and practical examination, doubt clearing section. We are encouraging the students in academics by rewarding the best performer in academics as a scholarship of Rs-1000/ year through SNA fund. In the annual examination conducted by WBNC for the year 2021-22 the pass percentage for the GNM 2nd year was 100% whereas for the first year it was up to 88%. Besides these co-curricular activities like annual sports, annual picnic, various observational health days are being organized at Nursing School to promote the talent of the students. During celebration of health days various quiz, poster, debate, creative writing, drawing

Permission letter from West Bengal Nursing Council (WBNC), Kolkata and Suitability letter from Indian Nursing Council (INC), Govt. of India, New Delhi.

In the last academic year 2022-23 total no of students present for the course were 118. There are 11 numbers of fulltime regular nursing teaching faculty along with the Principal has been appointed for providing

competition were included to provide relaxation as well as improve the talent of students. Apart from this our students participated in various rallies, health camps and many institutional visits like Old age home, Milk Dairy, Panchayat, industry as per their requirements in the last academic year.

At present our school is incorporated with various Scholarship portal of State Govt like Swami Vivekananda
