List of produced Organic Vegetables in 2022-2023

Note: Total 1,064 Kgs of 15 different types of organic vegetables were cultivated since June 2022 to February 2023 on the land belonging to Kishalaya Home.

Outcomes:

- 1,064 Kgs of 17 different types of organic vegetables were cultivated since June 2022 to February 2023 on the land belonging to Kishalaya Home.
- Highest 204 kgs of organic vegetables were cultivated in the month of January 2023.
- Organically cultivated vegetables are consumed by the Kishalaya Home inmates throughout the year. They also sell their cultivated products to the visitors.
- It was possible to discover some remarkable ability through the drawing classes. The inmates' paintings are so exceptional that some of their drawings are displayed on the walls of the Kishalaya Home Superintendent's office.
- District Magistrate, and SDPO of North 24 Parganas visited Kishalaya Home during the Republic Day celebration on 26th January 2023. During their visit, officials observed the organic farming practices, produce, and seasonal flowers (marigolds) grown by the inmates and conveyed their appreciation for their diligence.
- Inmates have become more restrained, forbearing and they understand the value of education as they also think about their future.
